Note: AKC's recent ruling effective September 3, 2013, the three qualifying scores required to be awarded a herding trial title may be earned under two or more different judges. The current Regulations require the three qualifying scores to be earned under three different judges. The effective date means that the second qualifying score under the same judge will only count if earned after September 3, 2013.

The requirement of two passing legs earned under two different judges is still in effect for Herding Instinct Tests, Herding Tests and Pre-Trial Tests. This trial weekend will have the same judge officiating both days.
